PROFESSIONAL SUMMARY

Enthusiastic and dedicated Computer Science student with a strong academic background and internship experience in Full-Stack Development. Passionate about developing efficient and scalable web applications. Looking to begin a professional career in a dynamic environment where I can apply my skills, learn continuously, and contribute effectively.

EDUCATION

Government College of Engineering, Dharmapuri Bachelor of Engineering (B.E.), Computer Science and Engineering	Expected 2026
Jayam Vidhyalaya Matric Higher Secondary School, Harur Higher Secondary Education	2019
Kalaimagal Matric Higher Secondary School, Kadathur Secondary Education	2017

TECHNICAL SKILLS

- **Programming Languages:** Python, C, Java (Basic)
- **Web Technologies:** HTML, CSS, JavaScript, React JS
- **Frameworks:** Django, Flask, React
- **Databases:** MySQL, Oracle SQL, SQLite
- **Tools & Platforms:** Microsoft Office, Visual Studio Code (VS Code), Anaconda, Google Colab, Python IDLE, JDK
- **Operating Systems:** Windows, Linux (Basic)
- **Version Control:** Git, GitHub
- **Areas of Interest:** Software Development, Computer Networks, Web Design, Python developer, Java

SOFT SKILLS

- Teamwork and Collaboration
- Problem Solving and Critical Thinking
- Adaptability and Flexibility
- Time Management and Organization
- Leadership and Initiative
- Effective Communication
- Creativity and Innovation
- Attention to Detail

INTERNSHIP EXPERIENCE

Optimus Technocrats (India) Pvt. Ltd., Salem, Tamil Nadu <i>Python Full-Stack Developer Intern</i>	June 2025 – August 2025
--	-------------------------

- Developed web applications using Python along with HTML, CSS, and JavaScript.
- Worked on both frontend and backend integration.

- Used MySQL for data storage and basic query optimization.
- Improved application functionality and user interface.

InternCourse, Remote

March 2025 – May 2025

Artificial Intelligence Intern

- Worked on supervised and unsupervised learning models.
- Used TensorFlow and Scikit-learn for ML tasks.
- Improved model performance through training and evaluation.

Artifitia Tech, Remote

July 2025

Full-Stack & Data Science Intern

- Built responsive web interfaces using React and Bootstrap.
- Performed data analysis using Python and Pandas.
- Optimized SQL queries improving efficiency by 25%.

PROJECTS

- **Intelligent Traffic Incident Analysis**

Developed a machine learning model using supervised learning techniques to detect and analyze traffic incidents, improving response efficiency.

- **AI Healthcare Chatbot**

Built an NLP-based chatbot using Python to provide basic healthcare assistance and answer user queries.

- **Fake News Detection System**

Designed a machine learning model to classify news articles as fake or real using NLP techniques and data preprocessing.

- **AI Image Generator**

Developed a Python-based application to generate images using AI techniques and deep learning models.

- **Task Management Application**

Created a task management system to organize, track, and manage daily tasks efficiently.

- **Netflix Dashboard UI**

Designed a responsive user interface inspired by Netflix using modern frontend technologies.

CERTIFICATIONS & TRAINING

- InternCourse: Artificial Intelligence
- Artifitia Tech: Machine Learning and Data Science
- Optimus Technocrats: Web Development Internship
- Tamil Nadu Skill Development Corporation: Mobile App Development
- Workshop on AI Horizons (Mahendra College of Engineering, Oct 2024)

ACHIEVEMENTS & ACTIVITIES

- Secured Second Place in Eskalera'25 Connection Event
- Participated in Drug-Free Tamil Nadu Campaign
- Completed Hindi Madhyama Examination (First Class)
- Participated in Scout Leadership Training
- Achieved II Rank, Best Attendance, and Kho-Kho Winner
- Master Training in Computer Design & Technology, Apollo Computer Education Ltd (March 2015)
- Master in IT Foundation, Apollo Computer Education Ltd (May 2014)

WORKSHOPS & TRAINING

- NVIDIA: Fundamentals of Deep Learning
- Mahendra College: Deep Learning Workshop
- Olgaar Technology: Web Development
- Kriyavan: Cybersecurity

LANGUAGES

English: Intermediate (B1)

Tamil: Upper Intermediate (B2)
